ORDER

The Center for a Sustainable Coast, Georgia Women’s Action for New Directions (formerly known as Atlanta Women’s Action for New Directions), and Southern Alliance for Clean Energy recently filed a motion to reopen the record and admit a new contention in the *Vogtle* proceeding, captioned above.¹ Southern Nuclear Operating

¹ *Southern Nuclear Operating Co. (Vogtle Electric Generating Plant, Units 3 and 4): Motion to Reopen the Record and Admit Contention to Address the Safety and Environmental Implications of the Nuclear Regulatory Commission Task Force Report on the Fukushima Dai-ichi Accident* (Aug. 11, 2011); *Contention Regarding NEPA Requirement to Address Safety and Environmental Implications of the Fukushima Task Force Report* (Aug. 11, 2011).

Company opposed the *Vogtle* motion.² Gene Stilp similarly filed a motion to reopen the record and admit a new contention in the *Bell Bend* proceeding, captioned above.³ Intervenor in the *Comanche Peak* proceeding, also captioned above, similarly filed a motion to reopen the record and admit a new contention.⁴ Luminant Generation Company, LLC, (Luminant) opposed the *Comanche Peak* motion.⁵

Pursuant to my authority under 10 C.F.R. § 2.346(i), I refer these matters, and any additional associated pleadings that may be filed, to the Chief Administrative Judge

² *Southern Nuclear Operating Co. (Vogtle Electric Generating Plant, Units 3 and 4): Southern Nuclear Operating Company's Answer in Opposition to Motions to Reopen the Record and Admit Contentions* (Aug. 22, 2011). This answer, filed simultaneously before the Commission and the Atomic Safety and Licensing Board that heard the terminated contested proceeding, also responds to a motion referred previously to the Chief Administrative Judge of the Panel, by Order dated Aug. 18, 2011.

³ See *PPL Bell Bend, L.L.C. (Bell Bend Nuclear Power Plant): Motion to Reopen the Record and Admit Contention Regarding the Safety and Environmental Implications of the Nuclear Regulatory Commission Task Force Report on the Fukushima Dai-ichi Accident* (Aug. 10, 2011); *Contention Regarding NEPA Requirement to Address Safety and Environmental Implications of the Fukushima Task Force Report* (Aug. 10, 2011); *Corrected Motion to Reopen the Record and Admit Contention Regarding the Safety and Environmental Implications of the Nuclear Regulatory Commission Task Force Report on the Fukushima Dai-ichi Accident* (Aug. 17, 2011). (The *Bell Bend* contention, unlike the *Bell Bend* motion and corrected motion, was filed before the no-longer extant Atomic Safety and Licensing Board; because the contested proceeding terminated, jurisdiction over this filing also lies with the Commission.)

⁴ See *Luminant Generation Co., LLC (Comanche Peak Nuclear Power Plant Units 3 and 4): Motion to Reopen the Record and Admit Contention Regarding the Safety and Environmental Implications of the Nuclear Regulatory Commission Task Force Report on the Fukushima Dai-ichi Accident* (Aug. 11, 2011); *Contention Regarding NEPA Requirement to Address Safety and Environmental Implications of the Fukushima Task Force Report* (Aug. 11, 2011).

⁵ See *Luminant Generation Co., LLC (Comanche Peak Nuclear Power Plant Units 3 and 4): Luminant Generation Company LLC's Answer in Opposition to Motion to Reopen the Record, Proposed Contention Regarding Fukushima Task Force Report, and Request to Suspend Proceeding* (Aug. 22, 2011).

of the Atomic Safety and Licensing Board Panel for appropriate action consistent with 10 C.F.R. §§ 2.309 and 2.326.

IT IS SO ORDERED.

For the Commission

[NRC Seal]

/RA/

Annette L. Vietti-Cook
Secretary of the Commission
