Chairman B. Jaczko
Nuclear Regulatory Commission
Washington, DC

Re: NRC Proceedings for Issuance of the Vogtle 3 and 4 Combined Construction and Operating Licenses (Docket Nos. 52-025-COL and 52-926-COL).

Dear Chairman Jaczko:

We are writing to express our support for the issuance of the COL for Vogtle units 3 and 4 (Docket 52-025-COL and 52-026-COL).

The two new units represent a \$14 billion capital investment in Georgia, and will create 3,500 construction jobs and 800 permanent jobs. A lot of these jobs will come from our County which has an unemployment rate of around 15%. The thousands of jobs these new units will bring during these tough economic times are essential to the state's recovery and continued growth.

As you near the conclusion of the licensing process, we ask for your consideration in voting yes to approve the COL without delay. Our communities are depending on it.

Sincerely,

J. Larry Morgan
Mayor
