To Whom It May Concern:

As a member of the Georgia Senate serving the Augusta area, I am writing to express my support for the issuance of the COL for Vogtle units 3 and 4 (Docket Nos. 52-025- COL and 52-026- COL).

Plant Vogtle is fundamental to the economies of many east Georgia communities, and represents an approximate \$14 billion investment in the state. The thousands of jobs these new units will generate during these trying economic times are vital to the state's recovery and continued growth.

As you near the conclusion of the licensing process, I urge the Commission to vote yes to approve the COL without delay. The wellbeing and prosperity of our community depends on it.

Sincerely,

Bill Jackson
