Subject: U.S. EPR Design Certification Application RAI No. 469 (5336), FSARCh. 14

Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on January 11, 2011, and discussed with your staff on January 12, 2011. No change is made to the draft RAI as a result of that discussion. Some minor editorial changes were made for consistency. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.

Thanks,

Getachew Tesfaye
