ADM002

The purposes of this modification are to make the following changes:

- 1) incorporate clause 52.217-9 Option to Extend the Term of the Contract (MAR 2000) that was inadvertently left out of the contract;
- 2) correct mathematical error on table under Section A.6 Price-Schedule of the Contract and modify CLIN structure of Option Period 2 (12 months);
- 3) correct the period of performance stated on previous order dated March 30, 2011, from 09/02/2010 through 09/30/2013, to 09/02/2010 through 09/01/2011, and correct the ceiling amount from \$74,377.50 to \$148,755.00;
- 4) exercise Option Period #2 extending the period of performance from 09/01/2011 to 09/01/2012, thereby increasing the ceiling amount from \$148,755.00 to \$307,005.00; and
- 5) to obligate funds in the amount of \$70,000.00 thereby increasing the obligation amount from \$74,377.50 to \$144,377.50. The distribution of these funds shall be done as follows:
 - a. Obligate \$40,000.00 effective immediately to fund current year.

- “(a) The Government may extend the term of this contract by written notice to the Contractor within the contracting period; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.
- (b) If the Government exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed two years.”
