RE: Submittal of Responses to 2nd Round Technical Comments on Strata Energy's, Ross ISR Project Permit to Mine Application, TFN 5 5/217

Dear Miles:

On behalf of Strata Energy, please find the enclosed two copies of the response package to the July 29, 2011 letter containing DEQ 2nd round review comments to the Ross ISR Project Permit to Mine application. The package includes the following:

- 1) Responses to technical comments in a question and answer format,
- 2) Change index detailing the volume number, pages to be removed and replaced along with a brief description of the change (2nd round in blue text),
- 3) Replacement pages and map.

Strata appreciates the efficiency and equity with which LQD has reviewed this application. Feel free to contact myself or Mr. Simpson at any time if you have questions or concerns regarding the enclosed response package.

Sincerely,

Benjamin Schiffer, P.G.
Project Manager
