David,

This spread sheet looks much better.

There is information missing from the summary table A.13.18

- the total from A.13.16 was not included
- a sub-total is not there
- the 25% contingency was not calculated and
- the total cost estimate is not calculated.

These are the only things that I need, if you want to put the missing information in, make this final and send a hard copy under Dr. Koldziej's signature.

Betsy,

Attached is the DFP with the corrections that you sent me. I hope that I have not overlooked anything. Please let me know if you have any suggestions or comments.

Thanks again for your help.

David
