Dear Mr. LaChapelle:

It has come to our attention that an error existed in your NRC Material License No. 22-32823-01. This error has been corrected by changing your street address to 36671 Marten Drive instead of 36771 Marten Drive. We also added this same address as the location of use for your materials license in License Condition No. 10, which was absent in the license we issued you.

Enclosed is the corrected copy of your license reflecting the changes we have made. We apologize for any inconvenience these errors may have caused.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael G. Herr", is written over a horizontal line.
