Inspection and Regulatory Improvements Branch
Division of Preparedness and Response
Office of Nuclear Security and Incident Response

SUBJECT: SUMMARY OF PUBLIC MEETING HELD ON AUGUST 30, 2011,
"DISCUSSION ON PROPOSED REVISION TO THE EP SDP"

The purpose of this public meeting with the Nuclear Energy Institute (NEI) and industry representatives was to present the proposed revisions to Inspection Manual Chapter 0609, Appendix B, "Emergency Preparedness Significance Determination Process" (EP SDP) [ML112230039] and to provide an opportunity to discuss and comment on the proposed changes. During this meeting, the staff noted the pre-decisional nature of this proposed revision.

The staff presented the revision using an overview presentation [ML112340564] followed by a section-by-section walk through of the proposed revision. This presentation was followed by a question and answer session and a discussion of steps to be taken to issue the revised document.
