Pat,

I still have not received your renewal application. I'm just checking in with you; I don't want your license to expire and you have to stop work and pay to apply for a new license:

If your renewal request is not received by COB August 31, 2011, your license will, subsequently, expire, and you will have to divest yourself of any radioactive material before the expiration date, or commit to not using the radioactive material in NRC jurisdiction. If you make the commitment to not use the radioactive material in NRC jurisdiction, please give us a timeline of submitting a new license application (with applicable fee) or NRC Form 314, Certificate of Disposition of Material.
