Mr. Krueger:

I have reviewed your letter dated September 2, 2011, and all items were answered satisfactorily except Item 4 which is described below.

- Item 4. The enclosed Appendix D of NUREG-1556, Volume 1, revision 1, provides criteria for training courses for portable gauge users that have been deemed adequate by the NRC. Provide the information described in Appendix D for the State of Alaska, Department of Transportation & Public Facilities (DOT&PF) training course for nuclear soil and asphalt gauge operation. If the DOT&PF course content, course examination, and course instructor qualifications meet the minimum criteria of Appendix D, an authorization will be added to the license for the Municipality of Anchorage to conduct in-house training in accordance with the DOT&PF training course.

Please provide by reply email the following information:

- ✓ 1. Course content (training syllabus or training index will be sufficient), and  
✓ 2. Course instructor qualifications.

Thank you.
