03001245

Subject: Amendment of NRC Radioactive materials license number 06-00843-03 to add a new location for diagnostic nuclear cardiology and make changes in authorized users

License number: 06-00843-03

Docket number: 030-01245

Issued to: St. Vincent's Medical Center, Bridgeport, CT 06606

This request is to amend the hospital current NRC license on or about October 1, 2011 referenced above to:

1. Add a new location at 4675 Main Street, Bridgeport, CT 06606.

The new location will be used by the hospital authorized users under NRC radioactive materials license 06-00843-03 for diagnostic nuclear cardiology.

The new location is currently used as a nuclear cardiology practice owned and operated by "Cardiology Physicians, P.C." under NRC radioactive materials license number 06-30769-01.

2. Kathleen Harper, D.O. as owner of "Cardiology Physicians, P.C.", medical director and RSO requests the termination of the practice NRC license number 06-30769-01. Dr. Harper is co-signer of this amendment letter.

03036113

3. St. Vincent's Medical Center accepts the new site owned by Cardiology Physicians, P.C. as is, including all imaging and non-imaging equipment, radioactive materials authorized under the office license, office documents, records, ALARA reports, the office authorized users and the office policies and procedures. We will maintain the possession limits set in the hospital NRC license.

4. The new site will be administratively under the hospital Chief Executive Officer, Susan Davis, R.N., Ed.D., and will be operated by the hospital department of cardiology. The new site radiation safety program will be under the hospital Radiation Safety Officer, Adel Mustafa, Ph.D. The new site activities and radiation safety program will be routinely reviewed by the hospital radiation safety committee.

5. St. Vincent's Medical Center would like to add Kathleen Harper, D.O. as authorized user to the hospital NRC license number 06-00843-03 for radioactive materials use in 35.200 for cardiovascular clinical procedures in accordance with 10 CFR 35.13 and 35.14. Dr. Harper is currently an authorized user on "Cardiology Physicians, P.C." NRC license number 06-30769-01

6. We would like to remove the following authorized users from the hospital license who are no longer working at the hospital:

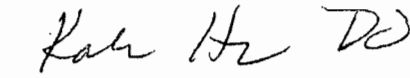

Joseph Gagliardi, MD
Charles Heller, MD
Vas Krithivas, PhD

Please let me know if you have any questions concerning this matter or call our radiation safety officer Adel Mustafa, Ph.D. at 732 580 8071, e-mail adel.mustafa@stvincents.org

Sincerely

John C. Gleckler
