SUMMARY

This conversation took place between Ken Lambert and Bill Lin of the Materials Inspection Branch for the NRC and Eric Schneider the Radiation Safety Officer (RSO) for General Motors (GM) in Warren MI. Mr. Lambert informed the RSO, that there was a pending Order against GM for nonpayment of their Annual Fees for 2011. Mr. Schneider informed the inspectors that the licensee never received the invoices. Mr. Schneider has contacted Shirley Crutchfield in the NRC's Financial Office and is in the process of resolving this issue. Ms. Crutchfield confirmed that the invoices sent to GM were sent to the wrong address and therefore the NRC will be cancelling the pending Order against GM.
