NRC STAFF EXHIBIT LIST

Pursuant to the Commission's Scheduling Order dated September 13, 2011, the staff of the U.S. Nuclear Regulatory Commission ("Staff") hereby provides its exhibit list for the mandatory hearing. Consistent with the Scheduling Order, these exhibits will be filed electronically through the NRC's E-filing system, and the two exhibits identified as non-public will be filed separately using the "protective order" filing option. The Staff has also identified a correction to one response (Question #17) in its "NRC Staff Responses to Commission Pre-Hearing Questions" filed on September 13, 2011, identified as Exhibit NRC00008A. A corrected replacement page for that document, with the replaced information indicated in strikeout format, is therefore included as one of the Staff's exhibits, Exhibit NRC00008B.
