SUBJECT: HOT ASPHALT PAVING, INC., REQUEST FOR INFORMATION CONCERNING
APPLICATION FOR NEW LICENSE, CONTROL NO. 575969

Dear Mr. Torres-Negrón:

This is in reference to your application dated September 5, 2011, for a Nuclear Regulatory Commission license. Your application does not include details of your radiation safety program. We must have a description of your radiation safety program and radiation safety procedures to complete our review. Appendix B of NUREG 1556, Volume 1, Revision 1 has a suggested format for providing the required information. This NUREG is included on the NRC's website. You can call me at (610) 337-5364, if you need assistance in accessing the NUREG and/or completing the application.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Med, Ind, & Academic Uses**; then **Licensee Toolkits, see our toolkit index page**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 6:30 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 575969. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5364.

If we do not receive a reply from you within 30 calendar days from the date of this letter, we will assume that you do not wish to pursue your application.

Sincerely,

Original signed by Sattar Lodhi, Ph.D.
