Dear Sirs:

I am requesting, under the FOIA provisions, the following investigation files:

OI 4-2010-034, relating to whether contractor personnel willfully violated procedures by performing electrical maintenance without a work order

OI 4-2010-016, relating to whether there was deliberate forgery on quality assurance documents to reflect that quality assurance verification checks had been performed on electrical cords

OI 4-2010-060, relating to whether a mechanical general foreman willfully failed to conduct a procedurally required walkdown or a review of a tagout boundary while working under a work control authorization

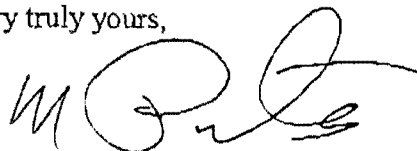

OI 4-2010-061, relating to whether two former contract electricians willfully violated procedures in wiring of a terminal board.

Please let me know the cost of reproducing the documents (only if the dollar amount exceeds \$300.00) and the manner in which we can make payment to your office when they are ready to be released. My telephone number is (626) 302-2809 if you have any questions.
