Dear Chairman Meserve:

I am in receipt of your request regarding the Nuclear Regulatory Commission's Orders, which will impose additional physical protection measures for the transportation of large quantities of radioactive material.

Mr. Richard A. Ratliff, Bureau Chief of the Bureau of Radiation Control within the Texas Department of Health, will be responding to your request with a list of licensees within the State of Texas that meet the criteria based on possession limits. He can be contacted directly at 512/834-6679.

Please do not hesitate to contact me if I can be of further assistance.

Sincerely,

A handwritten signature in black ink that reads "Rick Perry".

GOVERNOR

October 6, 2003

Mr. Richard A. Meserve
Chairman
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Dear Chairman Meserve:

I have asked Mr. Roger Mulder, Director of the Pantex Program of the State Energy Conservation Office, to serve as the State of Texas' designated State Liaison Officer (SLO) to the U.S. Nuclear Regulatory Commission. Mr. Mulder has been the acting SLO for several years.

Mr. Mulder will provide a communication channel between the State of Texas and the commission and will keep my office informed of appropriate regulatory health and safety matters. If you have any questions, Mr. Mulder can be reached at 512/463-1866.

Thank you for your assistance.

Sincerely,

A large, stylized handwritten signature of Rick Perry in black ink.
