02 November 2011

MEMORANDUM FOR U.S. Nuclear Regulatory Commission - Region 1, ATTN: LAT, 475
Allendale Road, King of Prussia, Pennsylvania 19406-1415, Attention: Thomas Thompson

SUBJECT: Additional Information for Renewal of US Nuclear Regulatory Commission License
BML 31-02102-02, Docket No. 030-00897, Mail Control No. 576198

1. In reference to your e-mail of this morning, we will commit to periodic surveys of our licensed sources of "any" form that have activities of less than 10 μ Ci along with our other required leak tests of our sealed sources.
2. The United States Military Academy (USMA) is a public undergraduate educational institution, accredited by the Middle States Association of Colleges and Schools, offering programs of instruction leading to the bachelor's degree. The USMA is an activity of the United States Army and is supported by appropriated funds. As such it appears to meet your definition of a "nonprofit educational institution" (10 CFR 171.5). Request that USMA be exempted from any fees for this action.
3. Point of contact the undersigned at (845) 938-5009 or daniel.schultz@usma.edu.
