Re: Transfer of Control for license No. 21-20313-01, Thoracic and Cardiovascular Institute

The following is information regarding an ownership change at our facility that occurred on January 1, 2010.

- On January 1, 2010, Sparrow Health System became owners of Thoracic and Cardiovascular Institute. No name change has occurred.
- There were no changes in personnel or duties related to licensed activities at Thoracic and Cardiovascular Institute. Any new personnel are required to complete the same training as was previously required. Thoracic and Cardiovascular Institute is managed separately from other facilities owned by the Sparrow Health System.
- There were no changes in the organization, location, facilities, equipment or procedures that relate to the licensed program.
- Thoracic and Cardiovascular Institute maintains a compliant surveillance program and is audited quarterly by a medical physicist to insure they remain compliant with the current radiation protection program and all NRC regulations. Thoracic and Cardiovascular Institute has continued to maintain a compliant surveillance program during and after the transfer of ownership. There were no open inspection items related to materials license number 21-20313-01 during the change.

- At this time, no facility or address changes are expected.
- Sparrow Health System confirms that it will abide by all constraints, conditions, requirements, and commitments of Thoracic and Cardiovascular Institute under its materials license number 21-20313-01.

Thoracic and Cardiovascular Institute and Sparrow Health System have agreed to the change of control of materials license number 21-20313-01 and the licensed material and activity covered under the license, and both parties have agreed to the conditions of the transfer.

Please feel free to contact either of us with any questions.

Sincerely,

David R. Kruger
