Dear Mr. Ziemann:

MONTICELLO NUCLEAR GENERATING PLANT
Docket No. 50-263 License No. DPR-22

Extension of Time for Submittal of Information on the

Your letter of March 14, 1974 requested that we submit additional information on physical security at the Monticello Nuclear Generating Plant. This information was to be submitted as a revision to the physical security plan within 30 days from the date of your letter.

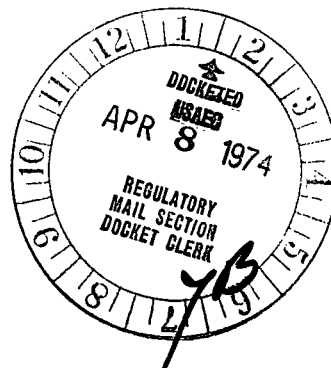

Due to the need for a comprehensive review within Northern States Power Company of proposed changes to our physical security plans and the process required for revisions to the Monticello Industrial Security Plan, we are unable to complete the information submittal within the time period that you requested. We expect to have the information reviewed and revisions to the physical security plan completed for submittal to you by May 1, 1974.

Yours very truly,
