

SEP 16 1971

Docket No. 50-263

Mr. J. W. Jordan  
Federal Activities Branch  
Water Quality Office  
Environmental Protection Agency  
Crystal Mall, Building 2 (Room 922)  
Washington, D.C. 20242

Licensee: Northern States Power Company  
(Monticello Nuclear Generating Plant)

Dear Mr. Jordan:

For your information and use, I am forwarding revised tables to be incorporated in the environmental monitoring report for the above licensee which was previously transmitted to you on August 5, 1971.

Sincerely,

Original signed by  
Donald F. Knuth

Roger S. Boyd, Assistant Director  
for Boiling Water Reactors  
Division of Reactor Licensing

Enclosure:  
Environ. Monitoring Rpt. (2)
