Desc: I request a copy of the following report "Study of Maximum Water Level at Peach Bottom Power Plant Site" by Tippetts-Abbett-McCarthy-Stratton. In a February 26, 1969 letter to Philadelphia Electric Co. the AEC makes reference to the report: "Study of Maximum Water Level at Peach Bottom Power Plant Site" by Tippetts-Abbett-McCarthy-Stratton, and states that the report was given to the staff at a September 26, 1968 meeting. The report is not listed in any NRC Public Document Room database and is not in the Peach Bottom fiche from that time frame.
