Lisle, Illinois 60532-4352

November 1, 2011

Mr. Herr,

This letter is to request an Amendment to our NRC license 13-32738-01 registered to Bristol Myers Squibb Company. I am requesting that the address on the license be changed to:

Bristol Myers Squibb Company
Attn: Greg Luff
4601 Highway 62 East
Mt. Vernon, IN 47620

I am requesting that the name of the Radiation Safety Officer be changed to Beth Roberts. I understand my duties as the RSO in terms of maintaining records, training personnel in proper usage of radioactive materials, ensuring security of radiation areas, and safe disposal. I believe my training and experience with radioactive materials is commensurate with the scope of our use. I have attached a copy of my degree and training records.

I am also requesting a change to the list of our Authorized Users. I have attached copies of their respective training records for your review.

Please add:
Angela McNamara
Jonathon West

Please remove:
Donald Cummings (retired)
Maria Helfrich (retired)

Please let me know if there is any other documentation you may need in order to process these requests. Thank you.

Sincerely,

Beth Roberts, MT (ASCP)
Research Scientist I
