FOIA Request Submittal Form

On January 21, 2009, President Obama issued a memorandum on the Freedom of Information Act (FOIA) reaffirming the government's "commitment to accountability and transparency." On March 19, 2009, the Attorney General issued new FOIA guidelines implementing the President's policy. The NRC is processing all FOIA requests in accordance with these new guidelines.

Due to the high volume of FOIA requests received as a result of the unexpected events in Japan, response times to requests may be longer than normal.

Please see our FOIAs Related to the Japan Emergency page for more information on requests that have already been submitted.
