Hi Ladies,

(b)(5)

USACE has invited Doug Tonkay (DOE-EM group) as well as A. J. Gobson (DOE-NNSA) to be part of the interagency discussion with the hopes that a matrix will be presented for further discussion. Kim proposed to include a place holder as part as part of next week's meeting agenda for the morning of Thursday -March 3.

I will try again to prompt Bill and Kim to finalize my draft agenda.

So I will keep you posted.

P.S.
