Mr. Bjornsen, please direct your questions at Mr. Alex. I am not aware of a THPO at this time, but he would be the one to ask. I only manage their tribal government archives.

Have a good day, Mr. Bjornsen.

Thank you, Ms. Shaw, for your timely response. Who is the THPO for the Spirit Lake Tribe (if you have one)?

Good morning, Mr. Bjornsen: The contact person for this is Mr. Marty Alex, Tribal Administrator. The information that you sent via Mary Cavanaugh was, in turn, sent on to the administrative offices.

Ms. Shaw,

Lana Gravatt of the Yankton Sioux Tribe sent me an e-mail stating that the Yankton, and nine other Sioux Tribes would be attending the FCC Consultation at Sylvan Lake. I need to ask you two questions:

1. Will you be attending the FCC consultation, and not the NRC consultation for the Ross project?
2. If you will attend the FCC consultation, would you be able to attend the NRC consultation for the Ross project, if it was re-scheduled?
3. When would be the best time to re-schedule?

Thank you for your timely response.
