

# Removeable Pull-out Map Section

This removeable section contains the Westchester Emergency Map, School Reception Centers, General Population Reception Centers and Westchester Bus Routes.

## School Reception Centers

If students and school personnel must be relocated as a precautionary measure, or evacuated immediately for their safety, busses will take them to School Reception Centers. The listing below shows the School Reception Center (SRC) to which students from each EPZ school would be taken. The numbers in the blue circles correspond to the School Reception Center locations marked on the map in the middle of this Pull-out section.

## Day Care Facilities

Parents of children attending Day Care Facilities or Nursery Schools in the Indian Point Emergency Planning Zone (EPZ) should contact that facility or schools' administration to learn more about their individual emergency plans.

Day care or Nursery School Administrators in the Westchester EPZ who need radiological planning information or guidance should contact the Westchester County Office of Emergency Management at 1-800-942-1452.

# Emergency Plan Summary

This summary page is your family's personal Emergency Plan. Fill out this page carefully with your information. Discuss this booklet with your family and keep it in a safe, easy-to-find place for future reference. **Remember:**

- If you hear emergency sirens sound continuously for 4 minutes, turn to your Emergency Alert System (EAS) radio or TV station for further instructions.
- EAS broadcasts may instruct you to stay indoors with windows and doors shut, a protective action called "sheltering-in-place."
- Or, you may be instructed, depending on where you live, to evacuate. Do not evacuate unless your area is specifically instructed to do so.
- You may be instructed by safety officials on EAS broadcasts to swallow a KI-potassium iodide pill. Know where you have stored your supply, and take it with you if you are evacuated.

## Other Information

If an emergency takes place, your family members might not be at home. In case this happens, it may be a good idea to agree on a place outside the EPZ where everyone would meet, such as at a Reception Center or a friend's or relative's house outside the EPZ. You should also agree on a "check-in" phone number for the family—a friend or relative who lives outside the area code you're in. Everyone would call this person to check in with him or her if an emergency occurred.
