Subject: RAI Concerning Change of Ownership Information
(NOTE: This will be used as the Documents Title in ADAMS)

12/30/2011 (09:45) I left a message on Mr. Strugala's voice-mail for him to get back in touch with me concerning the licensee's notification of a Change of Ownership.

(10:05) Mr. Strugala returned my call. I informed Mr. Strugala that I had spoken with William Chatoff earlier in the month and he had stated that the information was in the hands of the company seeking to become the parent of the licensee. As of this date, the information had not been received by the NRC so I could not state whether the NRC had any objections to the transfer or not. Mr. Strugala stated that he thought the information had been provided to the NRC as an attachment to the notification letter. I informed Mr. Strugala that all we received was the notification letter with no attachments. Mr. Strugala stated that he would look into the matter and have the required information forwarded to the NRC Region I office. I recommended that Mr. Stragula check with Regions III and IV to determine if those offices have the required information for the PharmaLogic licensees within their control.
