Dear Mr. Melton:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to the U.S. General Services Administration's (GSA's) letter of November 14, 2011, requesting my acceptance of the renewed operations and maintenance Delegation of Authority and Interagency Agreement for the One White Flint North building located at 11555 Rockville Pike, Rockville, Maryland, 20852. Enclosed please find an original signed GSA Delegation of Authority and Interagency Agreement.

As always, I take great pride in the way the NRC manages the operations of this GSA asset. We will continue to protect this building and meet all the requirements stated in the Delegation of Authority and Interagency Agreement.

Sincerely,

/RA/
