RI Release

I spoke to Lydia today. Her and Mauri Lemoncelli from OGC will be going to the Monday night meeting. She will confer with Keith, but she believes that since this is a USACE mtg and not an NRC mtg., no look ahead note needs to be sent, just an EDO note, prepared by FSME, upon their return.

Subject: SLDA Public Information Meeting

All, the public meeting to announce the work to be performed this year at SLDA is scheduled for 12 April at 7:00 at the Parks Township Volunteer Fire Hall. The address for the Fire Hall is 1119 Dalmation Drive, Vandergrift, PA 15690. The purpose of the meeting is to let the public know what will be constructed this year and to present a brief overview of how the remediation will occur in the out years. An agenda is attached.
