We can be available Friday (7/22)...any time. Next week my availability is limited to Wednesday (7/27 -- any tme). Steve and the SME's are available next week (7/25-29) any day but Thursday (7/28). If Friday (7/22) or Wednesday (7/27) are not convenient for you, Steve can represent me on the call. I do not want to hold back progress on this issue.

Sam,  
I apologize for the confusion. I meant "next Wednesday" as in 7/27. We are busy completing the management reviews for the RAI response letter tomorrow. I will see if design engineering can support this call, this Friday, 7/22. Will you be able to support a call this Friday, 7/22, if I can arrange the FENOC resources?

Cliff:

Tomorrow is difficult as I only have time between 8-10am. The rest of the day I have a meeting from 10-11am and after 11am the Division of LR is having a picnic. I'll try to catch Bill early in tomorrow morning and see if we can have the Teleconference anytime between 8-10am.

Bill:

Let me know if we can have the Teleconference tomorrow morning.

Cliff:

Bill Rogers will like to have a teleconference next Thursday (21) at 3pm (eastern time) on Scoping & Screening, particularly on "abandoned equipment." Let me know if the proposed time is ok or if you have any questions.
