RE: Amendment to USNRC Lic.# 06-30610-01

Dear Mr. Lodhi,

Please amend Q/C Resource Technical Services license, section A & B to allow for Seamen Nuclear Corporation Model C-300, Am241:Be., Cesium 137 gauges for possession by my company. This will facilitate helping customers dispose of gauges through proper channels when the need arises.

Thank you for your time in this request.

Respectfully,

A handwritten signature in black ink that reads 'Philip C. Palilla'. The signature is fluid and cursive, with the first name 'Philip' being more prominent.
