Good morning, Alan –

According to our matrix on current tribal interest, the following tribes did not appear to be cc'd on the December 6 letter that went to Mal James at Strata regarding the TCP survey proposal:

- Chippewa Cree (Participating)
- Kiowa (Participating)
- Kootenai & Salish (Participating)
- Three Affiliated Tribes (Participating)
- Fort Belknap Community (Maybe Participating)
- Blackfeet Tribe (Unknown Participating)
- Southern Arapaho and Southern Cheyenne Tribes (Maybe Participating)

The notes in parentheses are the current participation status we have listed for each tribe. If our current list needs to be updated with different participation statuses for the above tribes, please let us know so that we can do so. We compared this list to the cc list in the December 6 letter as posted to ADAMS, but if we are mistaken in which parties the letter was cc'd to, please let us know so that we can update that information in our matrix as well.

Best regards,

Melissa Butcher

Subject: 5 Missing Tribes?

Melissa,

The other day (during the teleconference) you mentioned that 5 tribes were missing off a recent letter; can you enlighten me? I couldn't figure out what it was your were referring to before the conversation switched to another topic. Thanks.
