Importance: High

Steve and Cliff,

I'll be out of the office next week I'll be back on January 10, 2012. My colleague Brian K Harris will be taking care of the project while I'm out. You already know Brian so please contact him for anything related to the project. Also, please cc me on any e-mail you sent to Brian. Please let Brian know if we'll be able to get your supplemental response on the SG tube to tubesheet issue next week and if you have any comments on the telephone conference summaries I sent for your review. Enjoy the rest of the holidays!

Regards,

Samuel Cuadrado de Jesús
