UniStar's letter with ADAMS Accession Number **ML11356A266**, dated December 21, 2011, provides a response date of February 28, 2012, for responding to Question 02.04.05-8 of your RAI Number 327 (eRAI 6185). Please note the response date and let me or the Chapter PM (Tanya Ford) know if the current EPM published date for completion of the Phase 4 SER input from your branch to the projects requires any adjustment. I am assuming that this question is an Open Item in your phase 2 SER already provided to projects.

**Please let me know if my understanding is incorrect.**

Thanks.
