Joseph M. Farley Nuclear Plant  
Request for Joint Regulatory and Predecisional Enforcement Conference

Ladies and Gentlemen:

On January 10, 2012, Nuclear Regulatory Commission (NRC) staff issued EA-11-225, which documents an apparent violation (AV) and a finding that has preliminarily been determined to be greater than green. The letter provided Southern Nuclear Operating Company (SNC) the opportunity to attend a Regulatory Conference and a Predecisional Enforcement Conference, or submit our position to the NRC in writing. SNC respectfully requests a joint Regulatory Conference and Predecisional Enforcement Conference to discuss the finding and the AV. SNC respectfully requests the conference to be held at the Atlanta Region II NRC offices.

If you have any questions, please contact Mark Ajluni at (205) 992-7673.

Sincerely,

A handwritten signature in black ink that reads "Mark J. Ajluni". The signature is written in a cursive, flowing style.
