Subject: Deletion of Draft RAI 6253 re: financial information - Levy County Units 1 and 2 Combined License Application
Attachments: LNP Draft RAI 6253 - 1.0.doc
Importance: High

Based on the current completion schedule for the merger between Progress Energy and Duke Energy, the NRC staff does not intend to issue draft RAI 6253 as a formal letter. This draft RAI will be deleted from the eRAI tracking system. No further action is required from the applicant.

If necessary, additional NRC review of Levy County COLA financial information will occur if/when the merger is complete.

If you have any questions, please let me know.

Thanks,
Brian

QUESTIONS for AP1000 Projects Branch 1 (NWE1)

01-***

After the date of the merger between Duke Energy and Progress Energy, the applicant for Levy Nuclear Plant, Units 1 and 2, should state whether the COL application is affected by the merger, and, if applicable, state the changes that occurred based on the merger. Pursuant to 10 CFR §§ 52.77, 50.33, 50.38, and Part 50 Appendix C, the following information should be provided to the NRC:

- 1) The applicant name;
- 2) Names, addresses, and nationality of the directors and officers of the parent company;
- 3) If the applicant is owned, controlled, or dominated by an alien, a foreign corporation, or foreign government, including by any international business arrangements;
- 4) The organizational structure of the company from parent to applicant;
- 5) Construction cost estimate;
- 6) Sources of construction funds;
- 7) Latest published annual report, together with any current interim financial statements that are pertinent;
- 8) If the applicant is a newly formed entity; AND
- 9) If the applicant is an electric utility.
