**Issued/Open Action applicant** -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.

**Responded** -- The applicant has provided a response to the question. The NRC has not completed review of the response.

**Confirmatory Action Applicant** -- The applicant has responded the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).

**Confirmatory Action NRC** -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.

**Resolved/Closed** -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Question closed/Issue Unresolved** -- Question Closed means that the question can be closed if it is related a similar question or superseded by another question. Issue unresolved means that the issue

**Issued/Open Action applicant** -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.

**Responded** -- The applicant has provided a response to the question. The NRC has not completed review of the response.

**Confirmatory Action Applicant** -- The applicant has responded the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).

**Confirmatory Action NRC** -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.

**Resolved/Closed** -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Question closed/Issue Unresolved** -- Question Closed means that the question can be closed if it is related a similar question or superseded by another question. Issue unresolved means that the issue

**Issued/Open Action applicant** -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.

**Responded** -- The applicant has provided a response to the question. The NRC has not completed review of the response.

**Confirmatory Action Applicant** -- The applicant has responded the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).

**Confirmatory Action NRC** -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.

**Resolved/Closed** -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Question closed/Issue Unresolved** -- Question Closed means that the question can be closed if it is related a similar question or superseded by another question. Issue unresolved means that the issue

**Issued/Open Action applicant** -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.

**Responded** -- The applicant has provided a response to the question. The NRC has not completed review of the response.

**Confirmatory Action Applicant** -- The applicant has responded the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).

**Confirmatory Action NRC** -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.

**Resolved/Closed** -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Question closed/Issue Unresolved** -- Question Closed means that the question can be closed if it is related a similar question or superseded by another question. Issue unresolved means that the issue

**Issued/Open Action applicant** -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.

**Responded** -- The applicant has provided a response to the question. The NRC has not completed review of the response.

**Confirmatory Action Applicant** -- The applicant has responded the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).

**Confirmatory Action NRC** -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.

**Resolved/Closed** -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Question closed/Issue Unresolved** -- Question Closed means that the question can be closed if it is related a similar question or superseded by another question. Issue unresolved means that the issue
