**AFFIDAVIT OF SCOTT SKLAR**

1. I am currently employed as President of The Stella Group, Ltd., which is a clean energy technology optimization and strategic policy firm specializing on blending clean, distributed energy technologies and financing for commercial, industrial, government, institutional and mixed use projects; including assisting clean energy companies to scale-up market penetration and facilitating federal and state policies to expand markets.

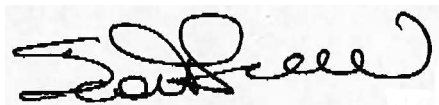

My biography and professional qualifications were submitted on October 28, 2011 as JNT000002.

2. Exhibit JNT000033 provides information on a large solar power plant being developed in Maryland that was not previously cited in my testimony or Joint Intervenor's Rebuttal Statement of Position.

3. I attest to the accuracy of those statements, support them as my own, and endorse their introduction into the record of this proceeding.

4. I hereby certify under penalty of perjury that the foregoing is true and complete to the best of my knowledge, information, and belief.

Dated this 20th day of January 2011
