Name of Licensee: The Harold Leever Regional Cancer Center**Name of Participant(s):** Ian Crooks, Director of Physics**Telephone No.** 203-575-5533, e-mail icrooks@leevecancercenter.org**Subject:** Sequencing of amendments and RSO status(NOTE: This will be used as the
Documents Title in ADAMS)

This telephone conversation record summarizes a series of communications on the date referenced above.

Mail control 576428 is the request dated November 25, 2011 to add HDR and change RSO to April Nunn. I contacted Ian to inform him that we received an unrelated request dated January 10, 2012 to add and remove authorized users for 35.200. I told him that we will address the new request under a different mail control, 576706, and will issue that action first.

I asked Ian to confirm that April Nunn is a full-time employee, which he did. [When Ms. Nunn is named as RSO, the tie-down dated July 7, 2011 may be removed from the license—it addressed contractor RSO commitments that will no longer be pertinent.]

Ian also provided Ms. Nunn's email address: anunn@leevecancercenter.org**Action Required:** Await response to questions in January 17 e-mail, then issue amendment, removing July 7, 2011 tie-down**Document Availability:**☒**Publicly Available**☐**Non-Publicly Available**☒**Non-Sensitive**☐**Non-Sensitive Copyright**☐**Sensitive- Proprietary**☐**Sensitive – Privacy Act/ PII**☐**Sensitive – Internal**☐**Sensitive – Security-Related**☐**Immediate Release****Normal Release Date:** 2/1/12**Delayed Release Date:****SUNSI Review Completed By:**SGabriel/ RA /**Document Accession #:**ML120270104
