Subject:

Update Regarding Response to Request for Additional Information, dated 12/28/11

(NOTE: This will be used as the
Documents Title in ADAMS)

On January 24, 2012, I contacted Ms. Gale to inquire about her timing regarding the response to Request for Additional Information, letter, dated 12/28/11. Response is due by 01/28/2012. Ms. Gale informed me that she and GE Healthcare were currently working on the response and expect to submit to NRC by January 25 or January 26, 2012.

Ms. Gale had a few questions regarding the RAI questions. Ms. Gale wanted to know if we wanted her re-submit the entire renewal and use Appendix C in NUREG-1556, Volume 18, "Program Specific Guidance About Service Provider Licenses", dated November 2000. Based on this discussion, we asked Ms. Gale to answer each RAI question and submit her response to the RAI in letter form. I informed her that there was no need to re-submit the entire renewal or submit Appendix C. Ms. Gale may use Appendix C as guidance in her response.

Action Required: Document telecom, submit into ADAMS, wait for response, and process renewal.**Document Availability:**☒**Publicly Available**☐**Non-Publicly Available**☒**Non-Sensitive**☐**Sensitive – Privacy Act/ PII**☒**Immediate Release**☐**Non-Sensitive Copyright**☐**Sensitive – Internal****Normal Release Date: 02/02/2012**☐**Sensitive- Proprietary**☐**Sensitive – Security-Related****Delayed Release Date:****SUNSI Review Completed By:**
