Dear Mr. Paguia:

This refers to: (1) your October 31, 2011, application for a materials license, and (2) our telephone conversation on December 8, 2011. During and subsequent to that telephone conversation, you indicated that you were not ready to respond to the questions discussed.

As we discussed during our most recent telephone conversation, we have voided your request for a materials license. This action is without prejudice to resubmission. If you resubmit your request, please state that the resubmission is additional information to Control Number 576368.

If you have any questions or require clarification on any of the information stated above, you may contact us at (630) 829-9887.

In accordance with 10 Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script that reads "Sara A.B. Forster".
