Subject: License ID Number: 20-17020-04
Docket Number: 03034382

To whom it may concern:

Our shareholders have approved an amendment to the firm's Articles of Organization, officially changing the legal name of our parent company from Camp Dresser & McKee Inc. to CDM Smith Inc. This name change became effective on December 9, 2011. As a result of this change the parent company is now called CDM Smith Inc.

There has been no change in the storage location or the operational procedures of the portable nuclear density gauges under this license.

At this time we would like to ask that you make the necessary changes to our license number 17-0203 to reflect our legal name CDM Smith Inc.

If you have any questions or comments, please feel free to contact either myself (617.452.6399) or Mike Bachand (617.452.6402).

Very truly yours,

CDM Smith Inc.

Michael S. Schultz, P.E.
Senior Vice President
