(NOTE: This will be used as the Documents Title in ADAMS)

2/2/2012 (13:40) I left a message for Mr. Strugala to call me back concerning the status of the change of ownership letter. (14:15) Mr. Strugala returned my call. He stated that he believed that a letter covering the questions in NUREG-1556, Vol. 15 had been sent to all of the regions regarding the transfer. The expected date of the change of ownership has been pushed into late February 2012. The letter, dated December 9, 2011, will be changed to reflect the new expected date of the transfer and resigned by both parties. Mr. Strugala also agreed to check with the other regions and ensure that the other regions received the December 9, 2012 letter. I thanked Mr. Strugala for his time in this matter.
