The Honorable Ichiro Fujisaki
Ambassador
Embassy of Japan
2520 Massachusetts Avenue, NW
Washington, D. C. 20008

Dear Ambassador Fujisaki:

It is my honor to invite you to speak on behalf of Japan at the U.S. Nuclear Regulatory Commission (NRC) program entitled "One Year Commemoration of Events at Fukushima Dai-ichi." The event will commemorate the one year anniversary of the tragic events of March 11, 2011, and recognize Japan's road to recovery. The program will focus on sharing the insights and experiences of a select group of guest speakers with the NRC staff. We are honored that you have agreed to be one of our distinguished guest speakers.

We would be very interested in hearing your perspectives while working as Ambassador to the U.S. during and after the events of March 11, 2011, as well as insights you could provide on the response and current recovery activities. Each guest speaker will have approximately 20 minutes to make remarks. The reflections that you and other speakers offer will help to enhance the NRC staff's awareness of challenges encountered during this crisis.

Please contact Kimberly Sargent at 301-415-1698, or email her at Kimberly.Sargent@nrc.gov, for any questions or assistance regarding your participation in this event.

Sincerely,

/RA/

Gregory B. Jaczko
