Dear Dr. Gabriel,

At this time as the Radiation Safety Officer, I would like to inform you that Dr. Wayne Frederick is now serving as the Senior Vice President for Health Sciences. Administratively, the Radiation Safety Office falls under the direction of the Senior Vice President for the Health Sciences. Therefore Dr. Frederick will be taking on the overall management responsibilities for the Radiation Safety Program as the ex-officio. I am requesting that you kindly update your records of this change.

Thank you for your time and consideration in this matter. Please feel free to contact me directly should you need any additional information.

Sincerely,

Satya Ranjan Bose
