Mr. Sirois / Ms. Hess:

I am contacting you with regard to your request for amendment of Nuclear Regulatory Commission (NRC) Exempt-Distribution Materials License No. 09-23920-01E.

In our Request for Additional Information letter dated January 9, 2012 (copy attached), the following standard statement was included:

"If we do not receive your reply within 30 calendar days from the date of this letter, we will consider your application as having been abandoned by you. This action would be without prejudice to the resubmission of another application with the required information."

I would like to determine whether you will be able to reply to the attached letter by February 8, which would be within 30 days from the date of our letter.

Thank you,

Richard K. Struckmeyer
