RE: Radioactive Materials License 42-27055-01

Dear Sir or Madam:

This letter is to inform you that I have chosen to retire from Schlumberger Technology Corporation effective March 1, 2012. Therefore, I request an amendment to our Radioactive Materials License 42-27055-01 to change the Corporate Radiation Safety Officer from Raymond N. Dickes to Timothy P. McLaughlin as soon as possible. Attached is the resume for Mr. McLaughlin showing his experience with the use of radioactive materials. Mr. McLaughlin is authorized as the Company representative on all issues and correspondence relating to this license beginning with the date of this letter.

Please let Mr. McLaughlin know if you require any further information.

Sincerely,

Raymond N. Dickes

LICENSING AND/OR TECHNICAL REVIEWER

This is to acknowledge the receipt of your:

☒ LETTER and/or ☐ APPLICATION

DATED: 12/28/2011

The initial processing, which included an administrative review, has been performed.

☒ AMENDMENT ☐ TERMINATION ☐ NEW LICENSE ☐ RENEWAL

☒ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please fill out NRC Form 531, located at the following link:

<http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>

Send the completed NRC Form 531, by facsimile, to the following number: (301) 415-5387

A copy of your action has been emailed to our License Fee and Accounts Receivable Branch, in our Headquarters office in Rockville, MD. You will be contacted separately if there is a fee issue involved.

Your application has been assigned the above listed **MAIL CONTROL NUMBER**. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
