Subject: Sealed Source Transfer Documentation
(NOTE: This will be used as the Documents Title in ADAMS)

This record represents a series of communications on the above-listed date.

The amendment request is to remove the facility at 106 Gillett Street. The cover letter to Amendment 1, which added this facility, asked for sealed source transfer documentation to be submitted with the closeout survey results.

I asked the RSO to confirm that all sealed sources used at 106 Gillett Street were transferred to the new facility at 345 Main Street, and were not leaking at the time of transfer. He confirmed this.
