Subject:

Mailing Address and Addresses of storage locations

(NOTE: This will be used as the
Documents Title in ADAMS)

The mailing address and the addresses of storage locations in the renewal application were different from those listed on the current license. I called the licensee to obtain clarifications for these changes. The licensee stated that nothing has changed but they prefer all mail to be delivered to the post office box address rather than the street address as listed on the current license. The licensee also confirmed that the storage locations remain unchanged but 911 system has assigned the new addresses to these locations.
